

Get in tune with Prairie Song

The community design creates a perfect pitch between parks, trails, patios, the pool, pickleball courts, and a lifestyle center yet to come.

Maps and renderings are artist's conception based on preliminary information, not to scale and subject to change.

Parks

Refresh your body and mind. Go put your feet in the grass. See who's faster. Tune in to the birds' songs, the sounds of nature, and your own footsteps crunching underneath. Guaranteed, there's a park here that'll offer you exactly what you need. From open grasses to unique gardens with intimate places to catch a moment.

Prairie Song Park

It's where you can lounge at the pool, play at the all-ages and all-abilities adventure areas, take up a lawn game or two, and even stick around for dinner. Prairie Song Park & Center is our heart and soul. It's our rhythm. And it's a ridiculously fun collection of things to do.

Trails

Cut through the community to the sound of your own tune. Bounce from park to park and trail to open space. You can take it as fast or as slow as you want. Because there's a trail system that offers both: a quick excursion or meandering connection with nature.
